Hello Randy and Shad,

This email is to inform you that On Track RC Hobbies and On Track Nutrition is having a Swap meet, Craft / Vendor sale in our parking lot at 805 Monroe Street on June 17. We are wondering if there is anyway that we could use part of the parking lot behind the fire department @ 3200 sq ft. near the kayak launch area, to put up our portable RC track for the public to try out our vehicles. This is a portable track which we can put up and take down very easily, and set up almost anywhere parties, fairs, car shows ect. Please let us know if this is something we can do in the parking lot.

Thank you

Hope we hear from you. Let us know if you need any other information.
