Refuse receptacles (dumpsters). Refuse receptacles ("dumpsters") may be temporarily parked unenclosed in the front yard of any residential zoned premises or the adjacent public right-of-way with the advance written approval and permit from the Building Inspector and subject to the following conditions:

(a)

The location of any refuse receptacle (dumpster) must be approved by the Police Department before placement.

(b)

Refuse receptacles (dumpsters) shall not be allowed on any state highway, county road, directly across from any private driveway or road, on curves or hills or within 50 feet of any cross street.

(c)

The applicant shall be responsible to ensure that any refuse receptacle (dumpster) contains reflective tape or reflective cones on all four corners so that the refuse receptacle (dumpster) is clearly visible during hours of darkness.

(d)

Refuse receptacle (dumpster) permits will not be issued during the winter months from December 1 through April 1 of each year.

(e)

The permit for any refuse receptacle (dumpster) not in compliance with this section may be terminated and the refuse receptacle (dumpster) removed at the applicant's expense.
